**Best Practice – 1**

**Title of the Practice:**

Inculcate Research Culture: Our Initiative

**Objectives of the Practice:**

Research plays an important role in the development of Institution. To implement strategy to research college has following set of objectives:

- To brace intelligent learners coupled with the ability for its proper application
- To motivate faculty and students for research work
- To encourage research committee for organization of seminars and conferences to spread new areas of research
- Inspiration for quality publications in U.G.C recognized journals
- To motivate faculty to pursue Doctorate.

**The Context:**

In planning and implementing the practice following challenging issues have been addressed:

- The Institute has constituted a research committee
- Inspiration to undertake research projects
- Virtual assistance to faculty for participation in conference/workshop/seminar
- Motivate faculty and students to publish research works in U.G.C recognized journals
- Duty leaves to faculty for research-related activities.

**The Practice:**

Institute Research committee framework a procedure to promote research culture. Research-related activities are promoted through Avishkar Research Convention.

- Avishkar Research Association promotes research culture holistically in systematic manner.
- A systematic plan of action like meetings of the members, communication to the departments, counseling to the learners, submission of the proposals, motivation through workshops, and organization of college-level Research convention.
- Deputation of learners and faculty to participate in the Avishkar Research Convention at district, university and state levels.
- College library provides the research periodicals/journals and reference books to learners.

**Evidence of Success:**

- Three Faculty members were awarded Ph.D. degree.
- Nine Faculty members published Research papers in UGC recognized journals
- Ten Students with two Research Projects Participated in the Avishkar Research Convention Organized by the University of Mumbai
- A Research Project sanctioned by C.K.T.College New Panvel (Autonomous College) under the aegis of RUSA to Research Scholar Mr. Vibhute B.T.(Department of Chemistry).
- Science Association Committee celebrated National Science Day by Organizing Online Lecture Series
- Two National level webinars were organized to promote research culture on subject-related themes.

**Problems Encountered:**

- It is a challenging task to sensitize the learners and faculty to motivate for participate in research-related activities
- Difficulties in the availability of time due to the hectic schedule
- Provision of the funds in the budget.
