## **Policy for Inclusion of Students with Disabilities**

Procedures adopted for disabled friendly, barrier free environment

1. Physical facilities like rails and wheelchairs are provided at entry point of college.
2. Though there are physical facilities like rails and wheelchairs, as far as possible ground level rooms are allotted to their classes.
3. The office staff members give priority to these students in the official works.
4. The respective heads and faculty pay special attention to their needs and keep their parents well informed about the progress or problems of their wards.
5. As such physically disabled persons very often suffer from psychological problems as well, they are allowed, if necessary to rest and study in common room well as any classroom they like, so that they should not have a feeling of discrimination.
6. Human assistance in form of reader, scribe, soft copies of reading material, etc. is provided as per the demand by Divyang students as per guidelines of University.
7. The Faculty and Non-Teaching Staff fully Cooperate to Divyang students
8. Admission policy of the college offers reservation as per guidelines of Maharashtra Government.
