Academic Year	2021-2022
Activity No.	
Name of the Activity	<b>Industrial visit to Mahad MIDC</b>
Date	24/02/2022
Time	08:00 am to 5:00 pm.
Venue	Aastrid Life Science Pvt. Ltd, MIDC, Birwadi, Mahad. (MH)
Organised By	Department of Chemistry
Convenor/ Co-Ordinator	1. Mr. Vibhute B.T. 2. Dr. Mane K.G. 3. Mr. Nagore P.B. 4. Mr. Ghoti A.J.
Activity for College/Class/Group	All Third Year B.Sc. Students
No. of Beneficiaries	44 Students and 4 Teachers
Nature	Co-curriculum activity
Objectives of Activity	The objective of the industrial visit is to create an awareness among students about the internal work structure of chemical companies.
Brief Information about activity	We all gathered at the college premises at 8:00 am for the Industrial visit. We recorded the attendance; 44 students were present, including 30 girls and 14 boys. Organising committee members gave instructions to all the students. The principal sir interacted with the students and extended his best wishes. At 9:30 a.m., we got the bus, and the journey started from college to industry. At 11:00 am, we reached the industry and recorded all students' attendance. At the industrial gate, we all got an industrial pass. After that, the HR manager Mr. Ganesh Bamne sir and his staff members were given a brief introduction regarding the industry. Then they formed four groups and gave us instructions. The industrial staff joined us to guide each group. Then they showed us four sections of industries; it includes Boiler unit, Production unit, Quality control and warehouse. All four groups visited all four sections of the industry. All the heads of different sections gave us brief information regarding their work. After visiting all four industry sections, all the students gathered in front of the warehouse and took some photos. Finally, the Managing Director and HR manager met us, and we all thanked them for their cooperation and kind support. At exactly 4:00 pm, we

	reached the college, and we recorded the attendance of all the students. Lastly, we all reported the principal, sir.
Outcome	<p>During the industrial visit, students learned the following things.</p> <ol style="list-style-type: none"> <li>1. Safety precautions at the industrial level.</li> <li>2. Practical work at the industrial level.</li> <li>3. The management work at the industrial level.</li> <li>4. Large-scale production at the industrial level.</li> <li>5. Waste management.</li> </ol>
Feedback Analysis	Each student encountered the existence of real learning beyond the four walls of the classroom. The pictures in the textbooks became a reality just because of this visit. Surely, this visit will help students in future and bring a positive change in their thinking and practical knowledge regarding Chemicals. It motivated the students to stay abreast with the developments taking place in the industry. Overall, the trip was well organised, and the plant was ideal in its production, administration and management aspects.

Dear Sir

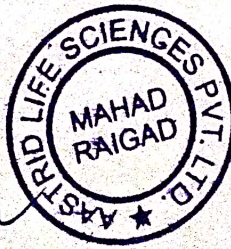

We are grateful to you for allowing us to visit your chemical company along with teachers and students as a part of our curriculum. It was a great experience for our students, and it will help enrich their subject knowledge.

Thank you very much.

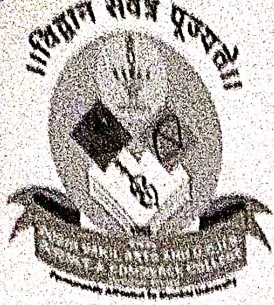

We hope the same co-operation in future too.

**Subject:** Requesting permission for an industrial visit

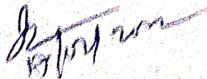

Dear Sir,

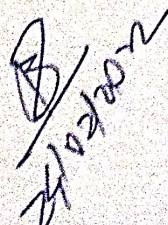

This is a request letter to seek your kind permission for an industrial visit to your Aastrid life science Pvt. Ltd Additional MIDC Mahad Dist. Raigad. As per our University of Mumbai syllabus norms, B.Sc. students are expected to visit prominent companies for exposure to the latest trends. Consequently, a third-year student of B.Sc. Chemistry of our college desired to visit your industry for a day preferably on 24/02/2022. The total number of students would be approximately 70, accompanied by three faculty members.

We would be immensely grateful to you if you could please allow us to visit the Aastrid life sciences pvt. Ltd additional MIDC Mahad Dist. Raigad unit. Please sanction our request and inform us whether a change of date is required.
